Written By: Roth Marcelin

INTRODUCTION

This is a one step prerequisite guide on how to remove the battery from the HP Compaq Presario cq62-214nr

Step 1 — Battery

 It is advised to work on this device only when it is OFF, to avoid electrocution risks. Please make sure your laptop is powered off.

- On the underside of the battery, there is lock that keeps the battery in place. Using your finger, slide the battery lock to unlock the battery. When you have unlocked it, just lift the battery to remove it.

 We do not have a battery on our device to show how to take it off.

To reassemble your device, follow these instructions in reverse order.
